### Helping Hands

K is a lovely, kind girl who is always willing to help out in class and is very supportive to her friends. As such, she is Miss Goodwin's choice this week for the Helping Hands Cup. Well done K!

### Star Readers

The children have been enjoying the Spring sunshine this week. Here Year 6 are making the most of our outdoor spaces during their reading time. In assembly we celebrated new reading millionaires. We now have lots of children who are double, triple and even quadruple millionaires.

Our word count in KS2 this year has now reached a staggering 155,902,188 which is so much higher than last year—a benefit of lockdown perhaps (there have to be some)!?

### Library Loans

Thank you to those that have returned books to the library since school reopened. After the Easter break, we will be re-adopting our policy of loaning new books to children from the library only once previous loans are returned. This will help maintain our excellent library collection and help the children learn about library systems.
