## Helping Hands

This week D has been awarded the Helping Hands Cup by Miss Robinson. She has been recognised for her exemplary behaviour. She is a great role model and shows strong leadership qualities in class. When the announcement was made there was a huge cheer from her classmates—well done D!

## Safer Internet Resources

'On the internet' is a learning-to-read book for children aged 4 and above and discusses internet safety in a child friendly way.

Find 'On the internet' here: <https://www.childnet.com/resources/a-learning-to-read-book>

Other Childnet books for younger children include:

Smartie the Penguin (3 to 7 year olds)  
<https://www.childnet.com/resources/smartie-the-penguin>

Digiduck's Big Decision (3 to 7 year olds)  
<https://www.childnet.com/resources/digiduck-stories>

To keep children safe online please monitor the use of social media apps by checking the recommended minimum age, monitoring the content on their devices and setting parental controls. Devices should also be kept out of bedrooms at night as research has shown that even having a device by the bedside can have a negative impact on sleep.

## Maths Resources for Parents

White Rose is a maths resource that we use in school. They have teamed up with TV pre-

sender, teacher and parent Michael Underwood to create a mini-series called 'Maths with Michael'. The series has been designed to support parents in understanding the current methods for teaching maths. Please go to:

## Education Grants

Are you looking to study or retrain but not sure you can afford it? RPLC offers non-repayable education grants to residents from low-income households in TW9, TW10, SW13 & SW14. Grants can be used towards expenses, such as course fees, travel, childcare, equipment and materials. For more information, contact Amy Vogel: [amy@rplc.org.uk](mailto:amy@rplc.org.uk) or apply online for an education grant: [rplc.org.uk/education-support](http://rplc.org.uk/education-support).

## Scooting to School

Healthy modes of travel to school, including walking and scooting, are strongly encouraged in our Travel Plan. However please ensure that children and adults are wary of other pedestrians, particularly as you near school and the pavements can be quite busy. Also, please dismount from scooters before entering the school playground. Thank you!
