Helping Hands

Miss Thorp has nominated this week's Helping Hands winner. F is a kind and considerate member of the class. She always offers help to her classmates as well as her teachers and is a fantastic role model both in and out of the classroom. She works hard during every lesson and always comes to school with a smile on her face.

Year 5 Tudor Day

Year 5 went back in time this week to the Tudors. They celebrated their learning of this historical period with a theme day in school. During the day they constructed a Tudor village. The children and staff looked wonderful in their costumes.

Sports Day(s)!

On Wednesday the KS1 sports day took place in the school grounds. Children participated in field events, sprints and relays; they impressed their teachers with their sportsmanship and focus during the team events.

Today KS2 went to Barn Elms for their events. The weather was perfect and we enjoyed a fabulous event even without spectators. Again, the children were impressive; we saw wonderful examples of team work, kindness and resilience, particularly in the long distance run. As always, the children demonstrated very high standards and determination; at times a photo finish would have been useful!

The result was very close and Jupiter won overall with 3,742 points. Congratulations to all the children for making the event so successful.
