Helping Hands

When asked, Miss Delgado knew exactly who to award the Helping Hands Cup to. F is a kind and caring boy who always endeavours to help his friends and teachers. Well done F!

Whole School Review

Next week (15 & 16 June), the school will be visited by our School Improvement Partner and a number of colleagues from Achieving for Children. They will be undertaking a whole school review, using the Ofsted framework to assess, Quality of Education, Behaviour and Attitudes, Personal Development, Leadership and Management. The team may be circulating in the playground before and after school. The review is being undertaken at the request of the school as we wished to test our own self evaluation ahead of a potential visit from Ofsted inspectors given that outstanding schools are no longer exempt from inspections.

Word Count

KS2 have now quizzed 193,719,911 words! Year 5 top the leader board with an amazing 76,094,813 words.

Thames Young Mariners

Year 6 enjoyed three gloriously sunny days at Thames Young Mariners. Activities included paddle boarding, kayaking, raft building, fire making, team challenges and orienteering. It was a very active trip and we had some very exhausted children (and teachers!) back in school on Thursday. The group leaders were particularly impressed with the children's knowledge of map reading and compass points during the orienteering. The children also received their leavers' hoodies and enjoyed wearing these despite the temperatures! See below for some action shots.
