Change to Published Dates

Please note that due to the addition of an extra Bank Holiday in June **next year** to celebrate HM Queen's Platinum Jubilee the end of Summer term will change. Children will now finish at **2pm on 20th July 2022**, with an inset day on 21st July 2022. The school website has been updated.

Barnes Literary Festival

During the week, Year 1 and Year 6 attended the Barnes Children's Literature Festival. Year 6 listened to an inspirational talk from author and TV mathematician, Bobby Seagull, who spoke about the importance of a growth mindset! Yet again our children amaze with their love and enthusiasm for reading. At the last count KS2 had quizzed an incredible 205,343,898 words, with 5V deserving a special mention with a whopping 36,880,557 words quizzed!

Year 2 Explorer Day

On Friday Year 2 had lots of fun during their Explorer Day. Ahead of the day the children had researched an explorer of their own choice and their teachers were very impressed with the knowledge they gathered about these 'trail blazers'. They discovered how these inspirational people changed what was possible and what was known about our amazing world. The children participated in an atlas quiz, used iPads to research new explorers and designed a poster about the explorer they had chosen to be. It was a fabulous, fun learning day!

Year 3 Greek Day

Year 3 enjoyed a workshop enrichment activity this week as part of their historical studies of Ancient Greece. They had a fabulous day playing Ancient Greek strategy games, competing in mini Olympics and learning about Greek hoplites or warriors and their battles.
