Helping Hands

Fittingly, it's a Year 6 pupil that receives the final Helping Hands award for this academic year. Mr Samuel had plenty of accolades to shower on this young person. S is a kind and caring friend. He always tries his best in class and is polite and respectful towards his teachers. Well done S; you will be sure to succeed if you continue to display these qualities in your new school. Good luck!

Commotion in the Ocean

On Monday, Reception enjoyed a fun day as part of their, 'Commotion in the Ocean' topic. They looked fabulous in their costumes and took part in activities such as walking the plank and scrubbing the decks. A fun way to finish the term which sadly was cut short due to a positive covid case-we miss you Reception!

Farewells

It's that time of year when we have to say our goodbyes. It is an exciting time for Year 6 pupils as they leave us to start the next stage of their education. We are proud to send you on as young people ready for the challenges ahead and who are happy, curious, resilient and kind. Sadly, there are a number of families who leave the school before they have reached Year 6 and we wish you all the best in your new schools. We also say farewell to a number of staff members who leave us and again wish them lots of luck, especially Mrs Barnes and Mr McMahon who are taking the plunge to train as teachers. Finally, we are also saying goodbye to our very special Headteacher who leaves the school after working here for 20 years. Disappointingly we have been unable to hold the celebrations planned to mark the occasion but will do so when able - a good excuse to visit us soon Mrs Page. Have a wonderful retirement!
