## Newsletter 10<sup>th</sup> September 2021

### Welcome back!

It has been wonderful to welcome you all back to school and the fun, excitement and learning that has been taking place in the first week of term has been phenomenal. The relaxation of restrictions in schools has allowed us to get a little closer to normality: we are delighted that we now have full use of our climbing frame and trim trail play areas, and the children have certainly been enjoying them in this week's sunny weather; the full salad bar is also back, offering an excellent selection of salads, breads and fruits to accompany hot school meals. This term's full menu can be viewed [here](#).

### Mud kitchen

With all our wonderful play spaces opening, we are gratefully receiving any donations of old pots and pans to refresh our mud kitchens. Please bring any donations to the school office.

### Rosh Hashanah

We would like to wish all those that celebrated Rosh Hashanah the best wishes for the new year.

### Safeguarding & e-safety

Safeguarding is our top priority and we want to work with parents to support in the safeguarding of all pupils. We will be highlighting certain aspects of safeguarding in the newsletter, but wanted to remind you of our e-safety parent guides [here](#).

## Newsletter 10<sup>th</sup> September 2021

### New faces

We would like to welcome all our new families to school and have been very impressed, if not at all surprised, by how welcoming and kind the children have been to new joiners. We also welcome three new class teachers (pictured), Miss Crawley, Miss Sanders and Miss Devlin. Mrs Anne Haywood joins the finance team and Miss Imogen Ridge joins us as our KS2 music teacher.

### Reminders

With the start of the new term, may we remind you of some rules.

- no scooting or cycling in the playground
- no dogs in the playground (please do not tie dogs to the school gates)
- ensure consideration if travelling to school by car and observe all road rules, including not blocking driveways or stopping on double yellow lines.

### Fabulous Fundraisers

Z, D and M held a car boot sale to raise funds for the school.

They raised an impressive £60 and showed real commitment to helping their community.

### Vacancy

We have a vacancy for a lunchtime supervisor role. Details and application instructions will shortly be available on the school website, [here](#).

### Environment

Mrs Webster has been nominated for a 'Love Recycling Heroes' award. This is an award in recognition for all the work that is going on at ESPS to help us become more environmentally intelligent!

### Pastoral Care

The pastoral care team works closely with Achieving for Children and a ParentMail will be sent shortly with some links to workshops about separation anxiety from the Mental Health Support Team.
